### AGREEMENT

Credit lines are computed and periodically adjusted according to your company's earning history, but are established as a courtesy of Business Express. The credit line agreement allows your company to go into the negative balance in your account at the discretion of Business Express. At any time that you have used the credit line and there is a negative balance in your account, you agree by executing this agreement to pay one (1%) percent per month interest fee on the outstanding balance.

#### CREDIT AGREEMENT AND PROMISE TO PAY

I HEREBY AGREE to the credit line established in the amount referred to above. I further agree on behalf of the company, that the company is responsible for the payment of the unpaid balance, if any, plus interest at the rate of one (1%) percent per month on any outstanding balance; I FURTHER accept joint and individual, insolido, liability for any outstanding balance, whether incurred prior to the execution of this agreement or after the execution of this agreement, and guarantee the payment thereof.
